411 Waverley Oaks Rd Suite 133
Waltham, MA 02452
USA

Finesse Cosmetic Surgery is one of Greater Boston's premier medical practices specializing in minimally invasive body contouring, skin care and rejuvenation, and cosmetic laser surgery. We are the first center in Massachusetts certified to offer the revolutionary new Cellulaze™ procedure for the long-term reduction of cellulite. We also feature laser-assisted liposuction using the second-generation Smartlipo Triplex™ system. The Smartlipo Triplex is up to 20 times more efficient in melting fat than other laser lipolysis systems. In addition to Smartlipo, our comprehensive body contouring solutions include VASER® LipoSuction, CoolSculpting® by ZELTIQ™, and ZWavePro non-invasive skin tightening and cellulite reduction.
